

Non folding parasol with cover hand woven onto the structure.

Structure: aluminum and AISI 304 stainless steel matt varnished in the colours in the collection.

Sunshade support: AISI 304 stainless steel, matt varnished in colour matching the structure.

Ballast: cast iron, matt varnished in colour matching the structure.

Sunshade weave: hand- made with Samo cord in Rope yarn.

Notes: Mogambo can stand free, but we recommend, whether it is possible, to anchor it to the ground; in both cases it is necessary to use the supplied moulded cast iron ballast.
