Plumon is based on the concept of clothing, on dressing and undressing furniture. For Plumon, Urquiola designs a light structure, on which a tailored and padded dress is 'moored', wrapped. This ribbed padding, characterized by stitching, as well as being an aesthetic figure, fulfills the comfort of the product. It is the fit that guides the aesthetics. With a few simple gestures, the dress is placed on the rigid teak structure and embraces it. An extreme ease of use that becomes a real plus for an outdoor collection.

Cleaning & Maintenance

Use diluted bleach or ammonia in water and avoid waxes, oily soaps, or corrosive products, which may leave unwanted sheen. Never use hydrofluoric acid (HF). Dry polished surfaces to prevent visible rings.
