1/2

This ironical intervention on the conventional upholstery converts a regular backrest into two independent 'wraps' connected by colorful straps. A graphical aluminum structures frames the protagonist of this chair, the cushions.

## Maintenance

---

Clean with mild soap using a sponge or cloth. Be gentle during the cleaning process; avoid aggressive scrubbing of the fabric. After cleaning, ensure you remove any excess soap.

For stubborn stains, use diluted household bleach. Act promptly to clean stains; the longer they linger, the more challenging they become to remove.

After cleaning, steam iron the fabric using only steam. Be cautious not to place the iron directly on the fabric, as it may cause damage.

## Finishes
