## BARBACÀN CHAIR

### A12015-1

The Barbacàn armchair was designed for relaxation and is upholstered with polyurethane foam in multiple densities. The high back, totally detached from the seat, makes it a modern alternative to the classic bergère. The frame is in solid wood finished in dark wenge. Barbacàn can also be personalised with different fabric or leather.

*Barbacàn nasce come poltrona da relax accogliente ed imbottita con poliuretano espanso a densità differenziate. Un cuscino unico fissato alla base può trasformare il modulo in pouf. Disponibile anche nella versione con cuscini e vassoi allineati o sfalsati.*
