## CALLE STELLA SIDE TABLE NEW

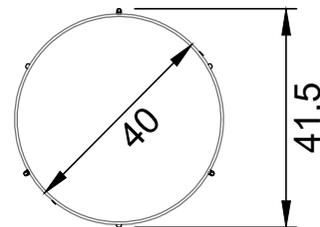

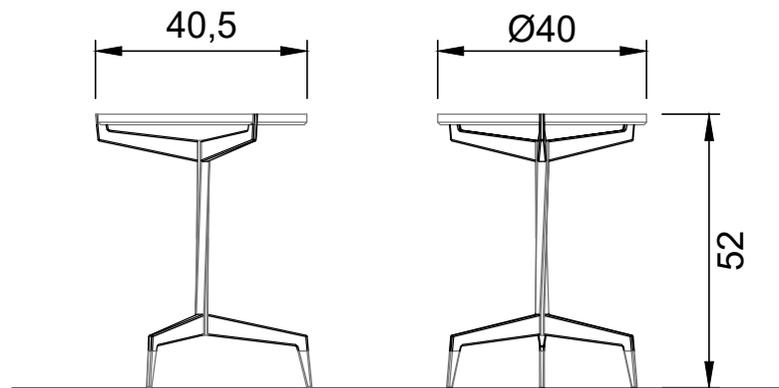

### A12142

Bringing designs from the Fifties up to date, Luca Scacchetti has designed Calle Stella. The metal base is finished with bronze finish and wood features in Chocolate Walnut. The top finish is in extra-clear or bronzed tempered glass.

*Attualizzando forme anni '50, Luca Scacchetti ha disegnato Calle Stella, un tavolino decorativo essenziale, dall'architettura metallica con finitura bronzo ed elementi lignei in Noce Cioccolato. Il piano è in vetro temprato extra chiaro o bronzato.*

Remettant au goût du jour les créations des années 50, Luca Scacchetti a conçu la table basse Calle Stella. La base métallique a des finitions en cuivre oxydé poli et des éléments en bois en ébène naturel de Malabar. Le plateau peut être personnalisé en bois avec finition ébène naturel Malabar ou en verre trempé extra-clair ou bronzé.
