DOMINO SOFA

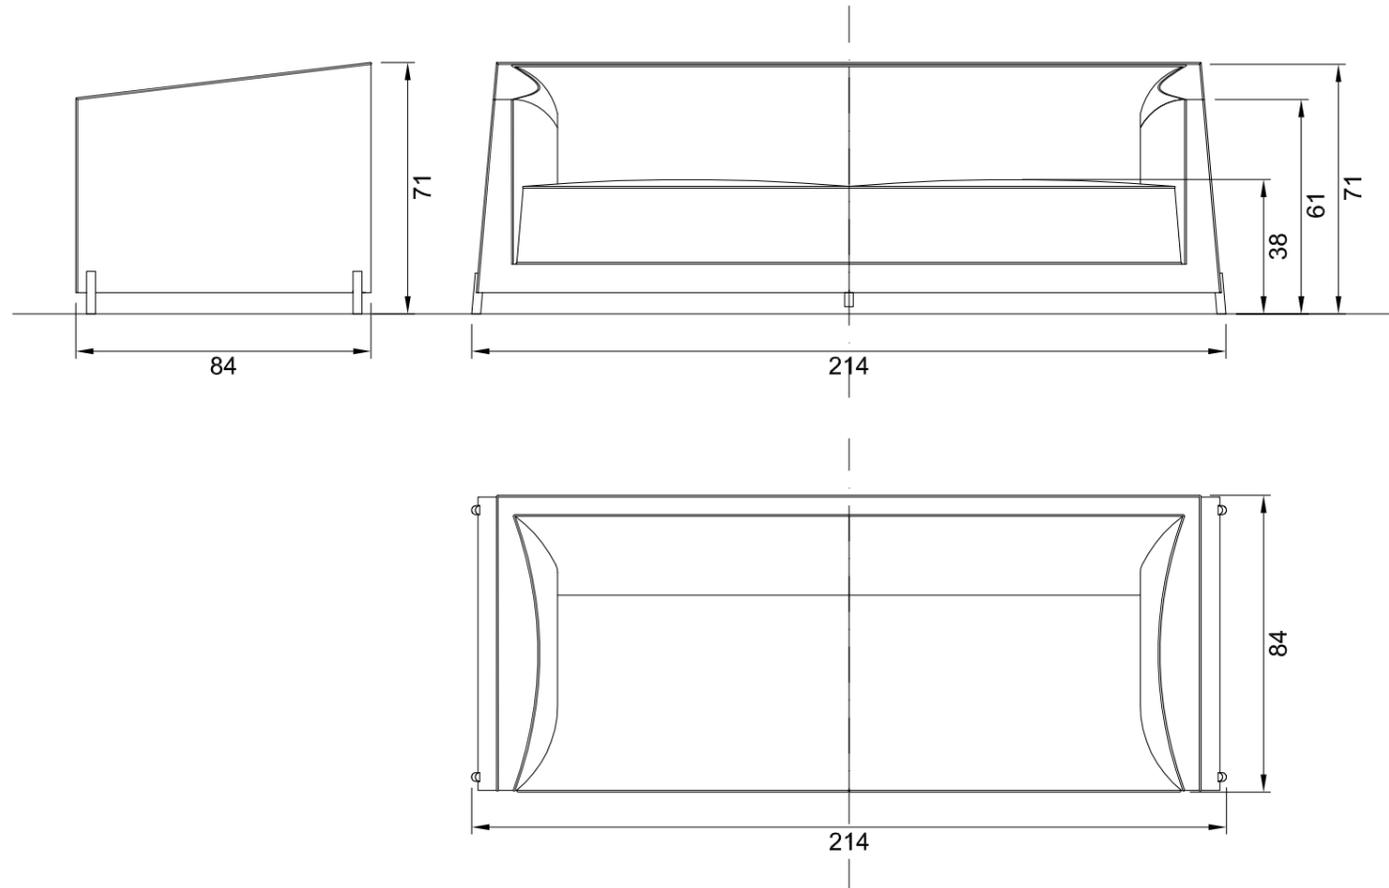

A12080-1

Domino is a sofa which combines design and function with aesthetic and structural balance. Designed by the two young designers of Nava + Arosio Studio, Domino maintains equilibrium between contrasting lines: the geometric nature of the outer lines is offset by the sleek and soft inner lines. The sophisticated feet which support the frame add both stability and lightness. Upholstered with polyurethane foam with multiple densities, it is also available with a decorative fabric cover sewn onto the upper edge of the back.

Domino è un divano che combina design e funzionalità in un'armonia estetica e strutturale. Disegnato dai due giovani designer di Nava + Arosio Studio, Domino è caratterizzato dall'equilibrio tra linee contrastanti: alla geometricità delle linee esterne si contrappone la sinuosità e morbidezza delle linee interne. I raffinati piedini che sorreggono la struttura conferiscono al contempo stabilità e leggerezza. Imbottito con poliuretano espanso a densità differenziate è anche disponibile con un reverse decorativo in tessuto cucito sul bordo superiore dello schienale.

Domino est un divan au design moderne et minimaliste, imaginé pour Rubelli par les jeunes designers de Nava+Arosio, déjà auteurs du fauteuil textile PILA-47. Caractérisé par un parfait équilibre entre la diversité et le contraste des lignes, ce produit personnalisable est proposé dans une vaste gamme d'habillages en tissus Rubelli.
