Jazz

I tavolini bassi di design Jazz sono espressione di linearità formale: disponibili nella versione rettangolare o rotonda, costituiscono piani d'appoggio importanti atti ad esaltare i tipici oggetti decorativi della zona living. Posti quasi rasoterra, sollevati leggermente da piedi metallici, i tavolini Jazz hanno un carattere fortemente geometrico. Il maestoso piano di appoggio, disponibile in cristallo o in ceramica, è definito da un bordo in metallo che contrasta con la base quasi impercettibile.
