Pisa

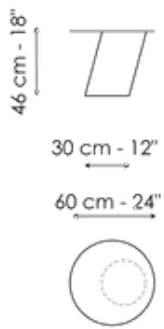

Designer: Mauro Lipparini

I tavolini Pisa, disegnati da Mauro Lipparini, sono complementi dal forte carattere, grazie al design monolitico della base. Disponibili in versione monovolume con piano incassato oppure con piano a cappello, si caratterizzano per il taglio della base che, come la celeberrima torre omonima, si sviluppa diagonalmente. Fil rouge della collezione è il metallo, in cui viene realizzata la base: il tavolino acquisisce poi una sua identità personale a seconda del materiale del piano, disponibile in ceramica, cristallo, marmo oppure in metallo nella stessa finitura della base.
